

8000 BC
10,000 Y A

130 km south of Calgary
Lands east of the Rocky Mtns; from
the time the first Paleo-Indians entered
the region 10,000 yrs ago, they were
redoubtable hunters even though
they hunted on foot. Mammoths
were the game they favored at
the start. & when the great beasts
became scarce they turned to
hunting two different species of buffalo

both now extinct
